

PHOTO RELEASE FORM

The Musicians Learning Center believes that we offer the best music instruction in Raleigh. The best example of this is our students. It is said that a picture is worth a thousand words. That is why we believe that pictures of our students are the best example of the great training and wonderful atmosphere offered at The Musicians Learning Center.

Through the course of the years, parents have taken lots of pictures of our students. Our parents share many of the pictures that they take of our students, with us. We also, on occasion, may take pictures and/or video of our students for academic purposes. The photos are nothing short of adorable and perfect. That is why we would like to be able to use select photographs which may include you (adult student) and/or your child in the promotion of the excellent training available at The Musicians Learning Center.

Please read the statement below and fill out the permission slip regarding using your child's/your photograph in the promotion of the excellent training offered at The Musicians Learning Center.
